

# DON DWYER: "BEST UNINTENTIONAL CRUSADER FOR GAY RIGHTS"

Baltimore City Paper, 9-21-2005

Dwyer says he's pro-family, but advocates for same-sex marriage openly thank his loud and embarrassing gay-bashing for their success in promoting the gay, lesbian and transgendered agenda: ***"Let's raise our glasses to Don Dwyer – if you weren't such a hateful ass, we might not have gotten this far."***

Dwyer's response: "I've been accused of spreading HATE and FEAR among the churches throughout the state of Maryland. GUILTY AS CHARGED."

DOES ANYONE REALLY WANT TO LISTEN TO DWYER FOR ANOTHER FOUR YEARS ?
